DATA SECURITY

CHAPTER 7 - EXERCISES

EVANGELOS C. ZIOULAS (IT TEACHER)

EXERCISE 1

■ Chapter 7 – Activity 9 (p. 50)

Make a list of useful safety rules that a student should follow in the computer lab, in order to protect the lab from inappropriate actions (e.g. No eating or drinking in the laboratory) and keep it in good condition.

EXERCISE 2

Fill the following concept map:
