

# SOFTWARE PIRACY

## CHAPTER 8 - EXERCISES

# EXERCISE 1

## ■ Chapter 8 – Activity 10 (p.50)

- Write a list of different cases, which are **illegal exploitation** of copyright law.

*e.g. the reproduction of a book with photocopies*

# EXERCISE 2

## ■ Chapter 8 – Activity 11 (p.50)

- Visit as many websites as you can, which have free software (e.g. [www.tucows.gr](http://www.tucows.gr), [www.freewarefiles.com](http://www.freewarefiles.com)) or read computer and technology magazines which provide such programs.
- Then, make a **list of the software categories** in which websites categorize all the freeware stuff.
- Which category would you be interested in?
