CHAPTER 13

THE RESOURCES OF INTERNET

CHAPTER 13 : GATHERING INFORMATION IN WEB

The Web has been described as a huge **bulletin board system** that each user can upload his announcements, or read the announcements of other users.

APPLICATIONS OF WORLD WIDE WEB

► **ENTERTAINMENT** (songs, games, quizzes, photos, videos, radio, internet TV)

► **NEWS** (electronic newspapers, politics, economy, weather, sports)

► **EDUCATION** (e-lessons, educational software, electronic encyclopedias, tutorials)

► **INFORMATION** (libraries, museums, transportations, telephone catalogues, public services)

Disadvantages ➡ disorientation, misinformation, malicious Sites

EXAMPLES OF POPULAR WEB SITES
